EDUCATION

National Institute of Technology Hamirpur — **Hamirpur, Himachal Pradesh**
Bachelor of Technology in Electrical Engineering; ***CGPA: 8.48 / 10*** — *2018-Present*

Creative Public Sr Sec School — **GangapurCity, Rajasthan**
PERCENTAGE:76.20 — *2017*

Vishva Bharti Public Sr Sec School — **Bonli, Rajasthan**
PERCENTAGE:81.33 — *2015*

EXPERIENCE

WEB STUDENT — **Remote**
WEB-DEVELOPMENT - INTERN — *March 2021 - May 2021*

- Worked on the restructuring of various websites using **html**, **css**, **javascript**
- Worked on **different production-based website**, add specified functionalities and designs.
- Learned basic **React.js** and got involved in **teamwork** .

PROJECTS

Personal Portfolio

- This is my personal portfolio website shows my various programming skill-set.
- It is coded from scratch using **HTML**, **CSS**, **JAVASCRIPT**
- Used javascript Libraries like **AOS.JS**, **PARTICAL.JS**
- Used **Colour Picker** so that anyone can change Theme of the website
- **View Here**: https://rahulgupta16102000.github.io/portfolio1/

Sorting-Visualizer

- A **visual demonstration** of various **sorting algorithms** on a range of array size.
- We can **generate an array dynamically** and can also alter the speed of the algorithm and visualize at our own pace.
- Use **Javascript DOM** to give a proper visualization,with **dynamic changing Colour**.
- **View here:** https://rahulgupta16102000.github.io/Sorting-Visualizer/

Problem Solving

- Solved over 500+ DSA problems on various Coding platforms.

Skills

- **Programming Languages:** C++, HTML/CSS, JAVASCRIPT
